

Become a Friend of the National Lawyers Guild!

The National Lawyers Guild is the oldest, largest and most effective membership organization of progressive people who work in the American legal system. You can become a supporter of the National Lawyers Guild's work for legal and social justice by becoming a Friend of the Guild. Friends help enable our ongoing work by contributing financially; in return we keep Friends informed of our initiatives and special events. Lawyers, legal workers, law students and jailhouse lawyers who wish to join the Guild should fill out a separate form to become voting members.
